

Dear Sponsor,

As you may have heard, I am currently a member of Apopka High School's 2019-2020 Color Guard Program. If you are not familiar with us, let me tell you a little about us. We are a group of dedicated individuals that perform with the marching band at various events including football, basketball, school pep rallies and more. The fundamental mission of APKCG is to provide students with the instruction to achieve excellence through the art of colorguard. We strive to make this an educational experience for all members; as well as offer a competitive area in which to grow during our indoor season. The byproducts of our mission include improved self-confidence, self-esteem and stage presence. We learn how to work as a team and develop friendships that last a lifetime. APKCG started in 2004 under the direction of Cichele Fields and Jen Karp, who are well known on both the state and national level. Attached is a list of this organization's many accolades from most recent to its humble beginnings.

This year our goal is to have a winterguard team that is able to go to championships in Daytona. We were unable to have a competitive team this past season due to financial restraints. Each new member is required to pay \$915 in dues which helps cover the cost of purchasing equipment, costumes, uniforms, instructional staff and more. It should be noted that working a job may not be possible while I am going to school full time Monday through Friday and rehearsing 2-3 times a week from June through beginning of April. I am looking for individuals and/or businesses that are able to assist me in paying my tuition. If you could help me with a full or partial sponsorship, please fill out the attached form and return it with the payment made out to "Apopka Highschool Colorguard". I hope you will be able to sponsor me or help me become sponsored by any of your friends or associates. If you would like, I can supply you with more information about APKCG in order for you to inform others who might be interested in helping. I really appreciate your assistance and hope you will get a chance to see us perform this season!

Sincerely,

An excited APKCG Member
