Welcome!

Our Family

...#iegyb...

...168...

...Good People...

...Habits...

Our Home

Place of security.

Growth as a musician and person.

Manners are still a thing.

Encouragement of others - regardless of outcome. (Reference #1!)

Continue building both old and new relationships.

Expectations

My expectation is that you are actively involved when you are online. Whatever we are doing in the classroom you are doing at home. In order to accomplish this you might want to see up in a space away from distractions and other people. This will allow you to play your instrument without disrupting the whole house.

Expectations

Be appropriately dressed

Be in an appropriate setting (not your bathroom!)

Join class with webcam on and microphone off

When called upon, unmute your microphone

Be respectful of the digital environment

Play along and fully participate with microphones muted due to the delays in wifi

Students will have Canvas assignments as well as traditional rehearsals when we return to face to face.

Please make a calendar on Canvas or use a physical planner to keep up with assignments.

If you are falling behind COMMUNICATE!! I am more than willing to help.

Make a daily habit of checking emails. Many teachers will communicate this way.

Expectations

I expect each member to be logged in by the start time of class.

This time will be used for preparation by the member in a variety of manners as well as it will serve as the time Mr. Langford will take attendance.
