

Cardiology Report: Electrocardiogram (ECG)

In accordance with School Board Policy JJ titled Extracurricular Activities, as part of the high school athletic packets, The School Board of Orange County, Florida is requiring each student athlete wishing to participate in high school athletics to have an electrocardiogram (ECG) screening prior to participating in his/her first athletic sport in high school. **The initial ECG may be completed by any licensed physician, including a primary care physician or pediatrician. If the ECG comes back abnormal, the student may only participate after being cleared by a cardiologist or a pediatric cardiologist.**
